CARLOS GOMEZ, D.M.D. — 4 KIDS + U TOO! CREATIVE DENTAL CARE FOR KIDS

When we say "Creative Dental Care for Kids" we really mean it! Dr. Gomez is a graduate from the University of Pennsylvania School of Dental Medicine, where he continues to be a part-time faculty member of the Pediatric Dental Clinic. He has dedicated his professional career to providing children and young adults with the best dental and orthodontic care.

He and his staff employ the newest in laser-assisted dental techniques, digital radiology and provide a fun and friendly environment for you and your children in a state-of-the-art facility.
